PROJECT CUT FILES

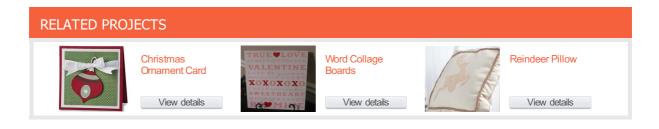

First I cut out all of my pieces. From front to back: Awelded "Happy Holidays" (from folk art festival cartridge which I have attached the cut file for), the welded shadow or background for "Happy Holidays" (also included in the cut file), a rosette (from ribbons and rosettes cartridge), a shape (folk art festival), and a pennant (pretty pennants cartridge).

STEP 2

Next i assembled the pieces with glue.

STEP 3

And finally hung the complete pennant from twine with clothes pins.
