CRICUT®: WHAT WAS USED

Oricut Expression®

Extreme Fonts

OTHER MATERIALS NEEDED

- Shiny Card Stock
- Pink Brads

Flower Punch

This page was very basic and easy to make. Sometimes I feel less is best. I basic corragated a piece of Pink Paper to put my photo on as a background. I then cut the letter out of the extreme font in the size of .5 inches. I then used a flower punch to cut the flowers and layer and a brad to hold them together.
