The inexpensive baking supply canisters are a great idea for a house warming gift, Christmas gift, et cetera.

CRICUT®: WHAT WAS USED

Oricut® Lyrical Letters Cartridge

Oricut Expression®

OTHER MATERIALS NEEDED

Vinyl

• Canister Set

• Transfer Tape

STEP 1

Clean up the canisters you have chosen for the project to ensure the vinyl will stick the best

STEP 2

On either your Cricut screen or Cricut Craft Room find the font you wish to use and size according to your different canisters. (For this particular project I used LoopDeeLoo with CCR.)

STEP 3

Cut vinyl. I choose Provo Craft pink vinyl but you may choose whichever vinyl colors best suit your project.

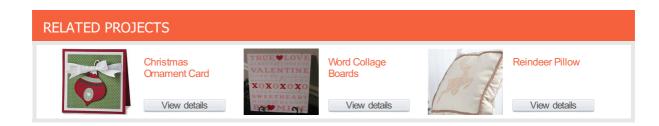

STFP 4

Remove excess pieces from cut vinyl (for example the space from inside of an 'o' as well as the excess around the word) and place transfer tape onto of image/word/label.

STEP 5

Finally, rub the cut out word, label, onto your canisters.
